Friday 27 January - Optician in School to check Nursery/Reception children

Friday 24 March - Red Nose Day

*Hello everyone... welcome back to all of our families. The children have settled back extremely well into school life at the start of this new term. It has been wonderful to hear some of their thoughtful resolutions.*

*There are lots of exciting times to look forward to in our school community in 2017 and I'm sure it will be a successful year.*

*Sarah Milner.*

## E safety tip

Remember that every photo, video and piece of music you see online was created by somebody somewhere. It may not be freely available for you to use and may be subject to copyright. You should always check and make sure you have the permission of the person that created it if you want to use it.

## Charity Work

We have received a certificate from The Royal British Legion congratulating us on raising a fantastic £201.15. The money will be used for the benefit of Military personnel past and present and their dependents. Thank you for your continued support.

## Donations

If anyone has any spare wool that could be donated to the School we would be very grateful to receive it.

Thank you.

We have had some cases of head lice in school. If your child is affected please treat accordingly.

Thank you.

# Science assembly

On Wednesday 4 January 2017, Fizz Pop Science came into school to host an assembly. This was a good opportunity for them to showcase opportunities their clubs can provide the children with. Children were shown an exciting range of scientific experiments.

The children thoroughly enjoyed the experience.

## Raising funds

On Friday 27 January we will be holding a cake sale in school. The funds will be used for new playground toys/equipment for the children to access.

Any cake donations received will be greatly appreciated.

Cakes will cost 30p each.

## **Parking around school**

**This is a polite reminder to everyone to be mindful of local residents when parking around school at busy times.**
