- 12th Year 6 leaver's assembly
- 18th Whole school production
- 19th Whole school production
- 23rd Parent's evening
- 24th Break up for Summer

Hello everyone...it was wonderful to see so many families and friends of Lower Farm at our Easter assembly today. The children were a credit to us all and sang beautifully.

Thank you to our PTA for organising the competition and raffle as well as the recent discos. These events couldn't go ahead without their support.

I hope all of our families have a safe and happy Easter break.

Sarah Milner.

Punctuality

Well done to all the children who were able to arrive before 9am during the past two weeks. They have been rewarded with an extra play today with lots of our new playground equipment!

Keep up the good work! There will be different rewards after Easter for all children who arrive on time each week. Our Education Welfare Officer will be in school during the Summer Term to carry out spot checks of lateness.

Writer of the Week!

Monday 26 March is awarded to Leo for a super write about 'The Rainbow Fish.'

E safety tip

Phishing - sometimes you get emails pretending to be from legitimate sources, asking you to give away personal or private information. This is called phishing. A phishing email may be disguised as one from a bank. There are a few things to look out for: The email address is different to usual emails from your bank, the message isn't personalised, uses the wrong name or poor spelling, the message says you need to take action to stop something from happening.

PACE workshop for parents, friends and carers

Parents, friends and carers of Lower Farm are invited to an assembly taking place on Wednesday 18 April 9:30–10:30am.

PACE is Parents Against Child Sexual Exploitation. All staff at Lower Farm have attended this presentation and found it extremely beneficial.

Please come along and listen to important messages that are delivered in order to further safeguard our children.

Sporting event

On Thursday 15th March, Lower Farm took part in their first tag rugby tournament. Children played 3 matches and worked brilliantly as a team.

Children thoroughly enjoyed representing Lower Farm, even in the pouring rain! Well done team!

Miss Brown.

Annual dental examinations

Wisdom Dental Care will be in school on Friday 27 April for children's annual dental examination. Letters have been sent out and a consent form is required to be returned to school in order for your child to be examined. Thank you.

App alert

Parents are strongly urged to monitor the use of the game Roblox due to a very concerning incident locally of grooming of children.

Sports at Lower Farm

Year 1 and 2 children took part in a cricket tournament at Wolverhampton University. We played seven matches against other schools across Walsall. With our fantastic team work and great cricket skills, we came 4th overall!
Well done Lower Farm cricketers!

Lower Farm also took part in Sport Relief and raised a fantastic £157.61 - thank you for all your support.

Year 3 and 4 visit to St John's Church

The children have been learning about sacred buildings during their RE education. They have visited St. John's Church in Bloxwich to further their knowledge of a church building and to talk about The Easter Story.

Rock Steady concert

Well done to all the children that performed in front of family and friends. The children have been learning how to play new instruments which included: keyboards, drums and bass guitars.
