

Memo

Year 1 Home Learning

Whilst your child is at home please could you complete this pack of work.

As always, your child should read at least a few pages of their reading book every day. It is also beneficial for your child to re-read familiar books as this develops their understanding and also helps to build fluency. Please make a note in your child's pupil planner so we can see how much your child has read and their understanding of what they have read.

We have also included a list of useful phonics websites and apps for your child to use and enjoy.
