

Dear Parent/Carer,

Please find enclosed your child's work pack for the following two weeks.

English

- Two SPAG assessment booklets to complete – they do not need to be done in test conditions and children can research parts of the assessment which they are unsure of.
- Writing/handwriting activities – there are five story sheets to complete. Please ensure these are completed in best handwriting, and try to include year 5 skills such as relative clauses and parenthesis.
- There are seven reading comprehensions to complete.
- Please encourage your child to read at home daily for at least 15 minutes per day.

Maths

- Times table games activity pack
- Spring themed Maths activity booklets

Science

- Properties and materials investigation sheet
- Scientists fact file – choose two scientists from the sheet and write fact file (included in the pack) about them.

Geography

- Please complete two fact files about two South American countries – you can choose any two countries you wish.

Kind regards

Mr Bourne and Miss Wright
