

## Year 3 Home Learning Tasks

Dear children and parents,

We hope that you are all keeping well and safe. We are missing you all and it has been so nice to see some photos and videos of things you are doing while you are at home so thank you to those of you that have been sending those in. Remember our email is [year3@lower-farm.walsall.sch.uk](mailto:year3@lower-farm.walsall.sch.uk)

As the government have decided to maintain the lockdown restrictions, we have provided some more activities to complete at home. Children, you can work through these at your own pace and you should be able to complete them without much help.

Please keep reading every day while you are at home. It is so important to keep practicing your skills and it helps to discuss what you have read with someone else. If you want to send in any book reviews of anything you have read we would love to see what you think and maybe it will inspire someone else to read something.

Well done to those of you that have been taking part in our Times Table Rockstars competition against year 4. Remember it closes on the 13<sup>th</sup> May! Not only do we want to win to show year 4 that we are the best but there will be some awards for effort and progress.

We have also sourced some additional websites that have appropriate games and activities that they may complete if they have access to the internet.

Name of website	Address	Tasks/activities
BBC Bitesize	<a href="https://www.bbc.co.uk/bitesize/tags/zmyxyc/year-3-and-pt-lessons/">https://www.bbc.co.uk/bitesize/tags/zmyxyc/year-3-and-pt-lessons/</a>	There are different lessons provided every day on all subjects.
David Walliams	<a href="https://www.worldofdavidwalliams.com/elevenses/">https://www.worldofdavidwalliams.com/elevenses/</a>	David Walliams is reading chapters from his own books every day for free.
Maths is fun	<a href="https://www.mathsisfun.com/">https://www.mathsisfun.com/</a>	Lots of maths activities on different topics.
Maths frame	<a href="https://mathsframe.co.uk/">https://mathsframe.co.uk/</a>	Lots of maths activities on different topics.

We look forward to seeing you properly soon but in the meantime please keep sending us lots of photos and videos of what you are doing at home.

Thank you again for your support. Stay safe.
