

Dear Year 6,

As SATs week arrives it is not quite the same,
The tests that were printed this year never came,
The displays all still up; walls full of Maths 'rules',
But Year 6 very different, at present, in schools.

For some of you, happiness, lots of relief,
For others a sign of pure disbelief,
That you worked really hard in advance of this week,
Expected and Greater Depth marks you did seek.

Algebra, fractions, the times table drills,
Inference, retrieval, in-depth reading skills,
Past present, progressive...and all the SPAG terms,
You've practised and mastered them over the years.

Fear not though, the SATS, yes, won't happen this term
But remember tests don't measure everything you learn,
Primary subjects are varied; you've always tried your best,
And many of those skills that you've gained can't be defined by a test.

So, here at Lower Farm Primary, you've made us so proud,
We sit here with pride and we shout this out loud...
"Year 6 you amaze us, you've come incredibly far...
And we don't need a test to see how amazing you are!"

We hope you continue to be well and safe. We have really enjoyed your emails seeing what you have been doing. Please continue to contact us using the email year6@lower-farm.walsall.sch.uk. Remember to let us know if you are happy for this to be shared on the school's social media sites.

During this time, we are not expecting you to complete a full school day, but we have attached activities and ideas for you to enjoy. Please pick some of activities that you appeal to you. We have put lots of choice so that there is something for everyone. There are things to do with English, spelling, Maths and creative tasks. Try to read and practise your timetables daily.

Stay safe and we hope to see you soon,

Mrs Davis, Mrs Newman and Mr Dalzell

x
