

Dear Year 6,

We hope you and your families are safe and well and enjoying the summer weather. Mrs Davis and Mrs Newman have been baking at home and trying to go out for walks with their dogs (who are getting a little bit naughtier and cheekier with all this attention at home). Mr Dalzell has been doing lots of bike rides.

We are missing you all so much and really enjoy your emails. We really enjoy seeing what you are getting up to at home - you are all very creative! Please continue to contact us using the email [year6@lower-farm.walsall.sch.uk](mailto:year6@lower-farm.walsall.sch.uk). Remember to let us know if you are happy for this to be shared on the school's social media sites too.

During this time, we are not expecting you to complete a full school day, but we have attached activities and ideas for you to enjoy. Please pick some of activities that you appeal to you. We have put lots of choice so that there is something for everyone. There are things to do with English, spelling, Maths and creative tasks.

We would ask that you try to read and practise your timetables daily.

Stay safe and keep smiling,

Mrs Davis, Mrs Newman and Mr Dalzell

x
