

Dear Children and Parents/Carers,

Along with our regularly updated learning packs we will also be directing you to specific online lessons via Oak Academy. As with all the work we send home, try to complete the work set but don't let this be a source of conflict or pressure, do what you can at this challenging time.

Oak National Academy is a collection of high-quality lessons and online resources. Backed by the Government, it has been created in response to the coronavirus lockdown.

The online classroom offers free access to video lessons, quizzes and worksheets. Oak National Academy will fit alongside other resources such as BBC Bitesize.

This week we would like the children to complete the following lessons on Oak Academy-
