

Hello Year 2,

I hope everyone is safe and well! We are both missing you all lots!

We are now producing online/virtual work for you to complete alongside the regularly updated learning packs.

We are going to be using the Oak National Academy website. This website has been backed by the government as a specific response to lockdown.

We will be directing you to some specific learning WEEKLY and we will be a set a range of English, Maths and Foundation lessons to complete. These lessons **are not** compulsory but it would be fab if you could do as much as you can.

We love hearing about all the great things you get up to so please keep emailing work, pictures and let us know who the virtual lessons go too!

Each lesson should only be around 20 minute long.

English

This week we would like you to do lessons 1,2,3,4 and 5 about **instructions**.

You can find them when you click on the following link

<https://classroom.thenational.academy/subjects-by-year/year-2/subjects/english#>

Maths

This week we would like you to scroll down to **Fractions** and complete lessons 1,2,3,4 and 5

<https://classroom.thenational.academy/subjects-by-year/year-2/subjects/maths>

Science:

We would like to complete these lessons all about **light**.

<https://classroom.thenational.academy/lessons/what-is-light>

<https://classroom.thenational.academy/lessons/how-can-we-see-objects>

Sending well wishes to all of you and we hope to see you very soon!

Miss Haynes and Miss Rudge.
