

Reception Home learning

M: SSM

Date: _____ Name: _____

What 2D and 3D shapes can you find?

We would like you to explore your house and the surrounding environment for different 2D and 3D shapes. 2D shapes are flat and 3D shapes are solid.

Can you find a...?

Square

Circle

Rectangle

Triangle

Can you find a...?

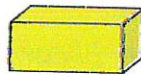

Cube

Sphere

Cuboid

Here are some questions to ask your child:

- Describe the shape. Does it have... straight sides, curved edges, corners?
- How are 2D and 3D shapes different?
- How many shapes can you find?
- Can you find a big and little 3D object which is the same?

Dear Parents,

Once you have completed the shape hunt, could you please complete the following questions with your child and return the sheet to school.

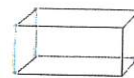

1. What objects were a **circle** shape? _____ 

 2. What objects were a **square** shape? _____

3. What objects were a **Triangle** shape? _____ 

 4. What objects were a **Rectangle** shape? _____

5. What objects were 3D shapes?

Cube _____ Sphere _____ Cuboid _____

6. Did you enjoy this activity? (Please circle)

Yes

No

Why? _____
