

Year 5

Dear parents/carers and children,

We hope you are all staying safe at home. We are missing you lots and hopefully things will be back to normal ready for September!

On the next page of this document, you will find some ideas for things you could do at home over the next few weeks. There is no pressure to complete all the activities just do what you can manage. It's important to try and have a bit of structure though, so we would definitely recommend reading every day as this is so important and practising times tables (don't forget TT Rockstars for this!)

Just a reminder that you can email us with photos, PowerPoints, videos, messages, to say hello or to ask for help. If you need any extra work don't be afraid to ask!

The email address is year5@lower-farm.walsall.sch.uk. We look forward to hearing from you!

Take Care 😊

Miss Wright and Mr Bourne

Year 5

English ideas	Maths ideas	Other ideas
<p>Read every day at home. Try to read a variety of things (books, magazines, newspaper articles etc)</p>	<p>Daily times tables practice. Don't forget to use Times Tables Rockstars and Mathletics! If you need your logins just e-mail us!</p>	<p>Draw a birds-eye view map of your local area on a piece of paper. Try to include any local landmarks.</p>
<p>Reading comprehension activities – we will provide a few of these for you.</p>	<p>Mental arithmetic practise – activities are provided on the school website.</p>	<p>Research a famous scientist and design a poster explaining what they are famous for and what they invented/discovered.</p>
<p>Research and create a fact-file/poster giving information about a country of your choice. You may want to information on the population, capital city, location, currency as well as the the food, language and religious groups in your country. Also, try to think about famous landmarks and rivers/mountains that are in your country.</p>	<p>Year 5 maths test – you can complete this at your own pace. You don't need to do this under test conditions!</p>	<p>Look out for wildlife in your garden/local area and make a list of the different animals you can see.</p> <p>www.jumpstartjonny.co.uk This website has many dances on that you could complete on your own or together as a family. You could learn one and send it to us!</p> <p>Visit the 'Art for Kids Hub' YouTube channel. It is full of fantastic step by step instructions on how to draw brilliant pictures. Choose one and have a go!</p>

Please send in any photos, videos, PowerPoints and work you have completed! We really want to see what you have been up to.
