

Dear Year 6,

We hope you and your families are safe and well. We hope you managed to join in with the Sports activities at home. Fingers crossed the sunny weather will continue so that we can keep enjoying the garden.

We are missing you all so much and really enjoy receiving your emails. We really enjoy seeing what you are getting up to at home – you have really impressed us with your art and how much hard work you are completing. Please continue to contact us using the email year6@lower-farm.walsall.sch.uk. Remember to let us know if you are happy for this to be shared on the school's social media sites too.

During this time, we are not expecting you to complete a full school day, but we have attached activities and ideas for you to enjoy. Please pick some of activities that you appeal to you. We have put lots of choice so that there is something for everyone. We cannot wait to see your ideas. These projects include things that are to do with English, spelling, Maths and creative tasks.

We would ask that you try to read and practise your timetables daily.

Stay safe and keep smiling,

Mrs Davis, Mrs Newman and Mr Dalzell
