

Hi everyone,

We hope you are all continuing to keep well, safe and happy. To follow on from last week's online learning, we are again providing weekly links to Oak National Academy to support and enhance the current online learning packs

The following links will provide learning opportunities for Literacy, Mathematics and Personal, Social and Emotional development.

As part of our literacy focus upon traditional tales, we would like to provide links to access learning about 'Jack and the Beanstalk'.

Please read/ access the online story:

<https://www.twinkl.co.uk/resource/t-t-12317-jack-and-the-beanstalk-ebook>

Then to do the Oak academy learning please follow these links:

<https://classroom.thenational.academy/lessons/plant-a-seed>

<https://classroom.thenational.academy/lessons/jack-and-the-beanstalk-story-writing-part-1>

We would also like to provide a link to practice solving mathematical problems. This week we are learning about how to solve subtraction problems:

<https://classroom.thenational.academy/lessons/exploring-subtraction-as-take-away>

In addition, to develop your child's sense of wellbeing we would like to include a link to an activity that explains the need for social distancing at this time:

<https://classroom.thenational.academy/lessons/were-part-of-the-same-pond>

We hope this has provided some helpful links and just to remind you these activities are optional and voluntary.

Thank you for your continued support.

We will be back in touch with updates very soon.

Your Reception teachers,

Mrs Francis, Mrs Brownhill, Miss Morrall, Mrs Bloomer, Mrs Coulson, Miss Riley
