

July 13th

Dear Parents, Carers and Children,

We have enjoyed seeing a few more of you in school over the last week. We are looking forward to getting back to normal and having you all in every day. Only a few days left until the summer holidays now – we hope you have some nice plans to spend time together.

In addition to providing the Oak Academy lessons, we are also sending out another learning pack today so we hope you have plenty of work to keep your mind active. Although it isn't compulsory to complete these activities, we highly recommend completing some daily so that you can keep routine and stay busy.

The work is outlined on the next page. I have tried to give a lesson per day where possible.

Just a reminder to access the Zones of Regulations that Mrs Swain added to the school website. This should help you to regulate your feelings and emotions. We definitely recommend this if you are finding things difficult at the moment.

If you have any questions, please email us on [year5@lower-farm.walsall.sch.uk](mailto:year5@lower-farm.walsall.sch.uk)

Miss Wright and Mr Bourne

## Overview of activities

We will continue to provide the Oak Academy online lessons moving forwards so we hope you enjoyed accessing them last week.

- Maths is about decimals. There is a link for each day below:
  - o Monday - <https://classroom.thenational.academy/lessons/decimals-to-represent-decimals>
  - o Tuesday - <https://classroom.thenational.academy/lessons/decimals-to-represent-multiplication-and-division-by-10-100-and-1000>
  - o Wednesday - <https://classroom.thenational.academy/lessons/decimals-to-derive-addition-and-subtract-decimal-facts>
  - o Thursday - <https://classroom.thenational.academy/lessons/decimals-to-add-decimal-numbers>
  - o Friday - <https://classroom.thenational.academy/lessons/decimals-to-subtract-decimal-numbers>
