

Dear Year 6,

We hope you and your families are safe and well. Mrs Newman, Mrs Davis and Mr Dalzell are all well and keeping very busy!

Alongside the regularly updated learning packs we will be directing you to weekly online lessons using the Oak National Academy website. Oak National Academy is a collection of high-quality lessons and online resources. Backed by the Government, it has been created in response to the coronavirus lockdown. The online classroom offers free access to video lessons, quizzes and worksheets. Oak National Academy will fit alongside other resources such as BBC Bitesize.

We will direct you to the specific learning weekly, which will consist of English, Maths and foundation lessons to complete. These lessons are not compulsory but it would be great if you could complete whatever you feel possible.

Please continue to contact us using the email year6@lower-farm.walsall.sch.uk. As we love to see and hear what you have been up to. This could now include screenshots of your quiz results. Remember to let us know if you are happy for this to be shared on the school's social media sites too.
