

HOME LEARNING

*Inspiring excellence
through learning together*

WELCOME
TO YEAR 2

Dear Children and Parents/Carers,

We have put together some activities that we would like the children to complete whilst they are at home this week. Try to complete the work set but don't let this be a source of conflict or pressure, do what you can at this challenging time.

If you have any questions about the activities or would like to send us your work then don't forget you can send us an email or a message on Dojo!

We have set work and saved it on Google Drive. You can access the work by clicking on the link below. You may want to print and complete the sheets or you can view them online and complete on a separate piece of paper if you prefer-

<https://drive.google.com/drive/folders/1t6et9w6i3pEcQdBk5Gs9ip1VG5FgCmvq?usp=sharing>

Don't forget you can also access the following as usual-

We would like you to be **reading every day**. We are currently in the process of changing our online reading scheme due to a number of technical difficulties. We will be in touch with you about the new scheme and the log in details you need as soon as it is sorted. In the meantime, to ensure your child is still reading as much as possible at home, we would like you to use 'Oxford Owl'.

You can sign up to this for free by clicking the link below. Click 'Join us' and follow the steps to join as a parent.

When you log into the site you will need to click on 'ebooks' and then 'Oxford Owl ebook library' and search for your child's age group and then the book you would like to read.

Hello Year 2!

I hope you and your families all had a wonderful Christmas! I'd love to hear about what you all got up to!

I enjoyed Christmas as I had some lovely presents and lots of lovely food too! I went for lots of walks and that was extra special in the snow. I took a friend's dog for a walk and it's made me really want to get a dog of my own now! Do you think I could convince Mr Pardesi?

It's such a shame we won't all be together for a while but it is important we do all we can to keep ourselves and each other safe.

Lots of love to you and all your families,

Mrs Pardesi x

Hello Year Two!

I hope you've all had a lovely break. It is such a shame that I will not get to see some of you for a while but I look forward to when I can see you all again.

I'd love to know what you did over the holiday.

I had a wonderful time with my little girl and we were so excited when it started to snow.

We went for a walk in the snow and enjoyed building snowmen and making snow angels.

We even tried making our own Olaf!

Did any of you build a snowman?

Take care everyone! Stay safe!

Best wishes,

Mrs Dobson

Hi there Year 2,

Hope you've got lots to tell me when we're back together again. What about the lovely snow? I rushed out because I always like to be the first on fresh snow, but when I opened the door someone had already been! I thought Aha! Aho! Footprints in the snow! Whose are these footprints and where do they go? So I followed the tracks and guess what? My little grandson Henry was hiding behind a tree!

Thinking of you all,

Mrs. Turner x

Hi Year 2!

I am missing you all and look forward to when we are all back in school again so you can tell me what you have been up to and what you all had for Christmas! I had a new watch and some earrings so I was very happy about that. What was your favourite present?

And how cool was the snow!

Did you all enjoy it?

We made a big snowman!

Take care and See you all soon

Mrs Stokes xxx

Hi Year Two!

It was lovely to see some of you in school yesterday and share holiday stories and writing together. I hope you all had a good break, it is unfortunate that I will not get to see some of you for a while again. Over the holidays my two children have enjoyed building snowmen. Did any of you build a snowman? I would love to see some pictures of them.

Stay safe everyone!

Best wishes,

Mrs Barsby

Hello Year Two,

I hope you are all well and have enjoyed the holiday. It is sad that we cannot all get together in school to share your holiday experiences and that I will not be able to see some of you for a while yet, but I know you will all be working hard at home.

During the holidays I spent time with my two boys playing board games and getting creative. Have you played any board games or made anything at home? Before Christmas, our elves also got up to lots of mischief like our class elves did!

We also had lots of fun in the snow! We enjoyed going on snowy walks, on sledges and building a snowman too! Did you enjoy the snowy weather?

Take care everyone and stay safe!

Mrs Yeomans x

Hi Year Two,

I enjoyed hearing all about your Christmas holidays from those children who were in school yesterday. I hope you all had a wonderful time with your families. I had a great time with my family and our new kitten.

What have you been up to?

We hope to see you all soon, stay safe and thinking of you all !

Mrs Lea x
